ABOUT BIG SKY:

Big Sky GC was built in 1991 and opened in 1994. Designed by Bob Cupp, Big Sky is laid out on 190 acres at the base of 8,000 foot Mount Currie in the Pemberton Valley. Big Sky is known for its generously wide bent grass fairways, difficult approach shots and tightly mown 'swales' around the greens.

Annually ranked in the Score Top 100, Big Sky was ranked #11 of the top 59 public/resort courses in the country for 2019. Other accolades include Golf Digests' top 30 courses in Canada, coming in at #26 in 2017. Also in 2017, the Luxury Travel Diary named Big Sky #5 in their top 10 bucket list courses around the world.

While this outline attempts to be all encompassing, this position is expected to evolve beyond these categories. As you become more familiar the operations of BIG SKY you will be expected to make suggestions on policies, procedures and controls. You will be expected to safeguard our assets, contribute to the improvement of our bottom line, and to call on members of your management team to help you accomplish these objectives.
